you know what i mean when  
the first guy drops you know  
everybody feels sick or  
when they throw in a few gas  
and the oh baby shrapnel  
or my feet getting dim freezing or  
up to your you know what in water or  
with the bugs crawling right all up  
all everywhere over you all me everyone  
that's been there knows what  
i mean a god damned lot of  
people don't and never  
never  
will know,  
they don't want
